GENERAL INSTRUCTIONS

1 If you contend that any response to any Interrogatory may be withheld under the attorney-client privilege, the attorney work product doctrine or any other privilege or basis, please state the following with respect to each such response in order to explain the basis for the claim of privilege and to permit adjudication of the propriety of that claim

- a) the privilege asserted and its basis,
- b) the nature of the information withheld, and
- c) the subject matter of the document, except to the extent that you claim it is privileged

2 These discovery requests are to be answered with reference to all information in your possession, custody or control or reasonably available to you. These discovery requests are

intended to include requests for information, which is physically within your possession, custody or control as well as in the possession, custody or control of your agents, attorneys, or other third parties from which such documents may be obtained

3 If any Interrogatory cannot be answered in full, answer to the extent possible and specify the reasons for your inability to answer fully

4 These interrogatories are continuing in nature and require supplemental responses should information unknown to you at the time you serve your responses to these interrogatories subsequently become known

5 For each Interrogatory, provide the name of the company witness(es) or employee(s) responsible for compiling and providing the information contained in each answer

6 To the extent Sprint has previously provided a response to any Interrogatory, which prior response is responsive to any of the following Interrogatories, in Sprint's region or any other state in proceedings in which Sprint and AT&T are parties, Sprint need not respond to such Interrogatory again, but rather may respond to such Interrogatory by identifying the prior response to such Interrogatory by state, proceeding, docket number, date of response, and the number of such response. If such prior response does not respond to the Interrogatory contained below in its entirety, you should provide all additional information necessary to make your answers to these Interrogatories complete

INTERROGATORIES

1 What costs, in terms of time, labor and materials, does Sprint incur when installing and maintaining a DS1 channel bank in Tennessee?

RESPONSE

2 Are the costs identified in response to question number 1 appropriate for use in calculating the cross-over point at which a multiple DS0 line customer would more economically be served by a DS1?

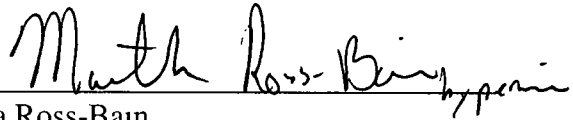

RESPONSE

Respectfully submitted this 20th day of February, 2004
